

ASSOCIATION OF INTERNATIONAL
CREDIT DIRECTORS & PROFESSIONALS

AICDP - Benefits of Membership:

Professional

- \$ AICDP is the prime international organisation dedicated to raising the global profile of the Credit Profession and Credit Professionals. As a Member, an integral part of AICDP, you will shape, develop and drive the future of International Credit.
- \$ AICDP Membership gives you access to a world-wide group of Credit Professionals of the highest possible standard.
- \$ AICDP Membership offers you the opportunity to clarify and manage your career in Credit with the best professional advice and support.
- \$ AICDP organise regular events in various countries/regions, sharing knowledge, keeping you in touch with the current state of Credit and other connected topics and informing you about rapidly-changing and evolving best practice.
- \$ AICDP membership, with informed professional AICDP support, will help you identify career paths in Credit and define, select and follow the path of your choice.
- \$ If your goal is to become an International Credit Director, AICDP will provide timely and relevant support, training, education, information and development.
- \$ If your goal is to become a senior-level Credit Professional, AICDP will support you in this with appropriate training, education, information and development.
- \$ AICDP will recognise and endorse all your experience, education, qualifications, training and development to date.
- \$ AICDP recognises and endorses membership of all relevant professional bodies in all countries and regions.

Career

- \$ AICDP Membership gives you privileged access to professional information, advice and guidance, with support in planning and managing a successful career in Credit.
- \$ AICDP Membership enables access to the AICDP International Passport: a comprehensive record of, and management system for, your experience, education, career, training and career development in Global Credit.
- \$ The AICDP International Passport records in detail all aspects of your career and career development, with professional endorsement by AICDP.
- \$ This record of your experience underpins and supports your career aspirations as a Credit Professional.
- \$ The information recorded in the AICDP International Passport enables you to plan, structure and manage a successful career in Credit.
- \$ You have the facility to review and manage your career at all times.

- \$ AICDP membership gives you access to experienced Credit Professionals who will offer information as well as their experience, advice and support.

Education & Development

- \$ State-of-the-art technical training in collection techniques, risk management, technological innovation, fraud, digital applications, etc.
- \$ AICDP Certificate and AICDP Diploma qualifications.
- \$ Access to AICDP Dynamics: world-class online learning.
- \$ Access to AICDP Webinars for the latest thinking on particular topics.
- \$ AICDP Behavioural Development, analysing behaviour and promoting development using FourSight behavioural categories:
 - Managing Yourself
 - Achieving Task
 - Relating to People
 - Tuning Performance
- \$ FourSight360 graphic feedback tool, a comprehensive behavioural analysis of perceived performance by managers, peers, colleagues, those you manage and people of significance/others who know you.
- \$ Experiential leadership, management and team development.
- \$ Executive, leadership and management coaching to maximise operational strengths and minimise weaknesses.
- \$ MBA in conjunction with The Open University, an MBA with Credit Dynamics.
- \$ Organisation-wide education and quality assessments conducted by Senior Credit Professionals.

Networking

- \$ Excellent global networking opportunities offering access to professional expertise and an immense breadth and depth of knowledge and experience.
- \$ The opportunity, at regular events, to network and share knowledge, information and experience with Credit Professionals at all levels.
- \$ The opportunity, through the AICDP Professional Network, to build your own network across the Global Credit Community.
- \$ The opportunity, in your own country, the country/region you are working in and other countries you would like to work in, to develop relationships with Credit Professionals working for organisations operating in all sectors.
- \$ Access to partners, high-level practitioners and subject-matter experts for consultation and advice.
- \$ Access to industry suppliers who are subject-matter experts.
- \$ AICDP Member Intranet, facilitating the development of public and private groups.
